1 INT. ROOM AT ARMY BASE - MIDNIGHT

1

SCENE IS PITCH DARK

DHRUV, a 12 year old boy sleeping in bed, dreaming. The voices play in his head.

DHRUV'S FATHER (V.O.)
(EXCITED)

Happy birthday, my wonderful son. No matter how old you get, I will always be there for you, right beside you when you need me.

DHRUV (V.O.)
Aww!!! Thank you so much dad. I promise I will make you proud.

DHRUV'S FATHER (V.O.)
I believe in you kid. Now it is time to reveal the surprise gift you have been waiting for!!!

DHRUV (V.O.)
Hooray!! I am excited to see it.

DHRUV'S FATHER (V.O.)
Aha! Not so fast kiddo. First, close your eyes... Suddenly, there are distant SCREAMS of people in background. Things RATTLING. Footsteps running somewhere hurriedly. Sounds of Dhruv BREATHING faster. GASPING.

DHRUV'S FATHER (V.O.)
Dhruv....Run....

Dhruv wakes up with a jerk, still sweating from the nightmare. He looks around, shaking and breathing fast. He realises he is in a dark room and looks straight ahead.

2 INT. BATHROOM - MORNING

2

CHYRON: 2 YEARS BACK RANAVA, a 25 year old scientist, dressed up in formal suit is looking straight ahead. Light falling through curtain gaps of window. He is talking, preparing for

a conference. He wants to impress the audience at the conference with his revolutionary ideas for warfare weapons.

RANAVA

(serious)

Tell me, how will you impress everyone today? You have waited so long for this. Are you ready? He waits for a reply but nobody talks back. Ranava slams his hand on the table.

RANAVA

(angry)

Don't laugh at me! Answer me!

SILENCE. A frustrated Ranava SMASHES his hand and breaks the mirror. He is staring at the broken mirror, his face visible in parts of broken pieces.

RANAVA

(patiently)

I will change the world... I am ready.

MATCH CUT TO:

3 EXT. STREET - LATER THAT EVENING

3

Rain drops falling lightly in a puddle. A foot steps in the puddle SPLASH! And the water splashes everywhere.

SMASH TO:

4 INT. CONFERENCE ROOM - MOMENTS LATER

4

Large hall with U-shaped seating with the entrance and walkway in the middle leading to the UN security council chief's chair. Backdrop is of TV screens consisting of world inflation crisis and food insecurity shortages.

Crowd talking in murmurs and laughs by the council members. Ranava enters through the door. He seems agitated, walking hurriedly because he got late and carries around multiple documents. He is confused as to where to sit. No one in the council looks at him and he sits down in the far back.

GORBACHEV (CHAIR HEAD)

(irritated)

ugh, next paper presented by Ranava from India Gorbachev looks around.

GORBACHEV

Ranava?

Ranava raises his hand up slowly and gets up stumbling his documents.

GORBACHEV

Come front

Ranava walks in panic to the podium and looks at crowd who seem unamused. He thinks in his head.

RANAVA (V.O.)

Okay Ranava you got this, you are not weak, this is your moment. Blow them away. Ranava COUGHS FAINTLY to clear throat and looks at his cue cards.

RANAVA

(confidently)

Good morning, everyone, I am Ranava and today I will present to you my proposition for joint research on the next generation WMD and its subsequent use as an eternal energy source... For most of history, we have believed that this is the greatest height of technology, I say no. I say no.

He looks around to the crowd who stare at him in doubt.

RANAVA

I say, we have barely touched what we can do. We have been building on what we can find on earth. Limiting our scope to Uranium and Plutonium. We have not even begun to think of what lies in the stars.

GORBACHEV

(sarcastic)

Boy, are you proposing we send a rocket to the Orion Belt to secure your hypothetical element to develop weapons?

RANAVA

(starts to get nervous)

No sir, my research shows that the energy signature is absolute it exists. I can show the levels and the possible application. If you can give me the chance to explain myself, I have the research to back me for my proposed applications.

The crowd who start to murmur.

RANAVA

Our world is dying, and we need
energy, we need power to make the
next generation of humanity strong.
We need... Um... We need...

GORBACHEV

Boy, we do not have time for old
woman tales. Don't make yourself a
fool

Ranava starts to get anxious and looks around the room. He
hears people laughing, pointing at him. His nervousness
worsens.

GORBACHEV

Boy, Get off the stage

Ranava loses his temper.

RANAVA

(angry)

All of you have spent your worthless
lives sitting here and debating on
what to do, we need a solution and I
have it. Trust my science. It is not
old woman's dreams.

Gorbachev looks at guards. Guards get closer to Ranava, grab
him, and start dragging him along.

GORBACHEV

You question us boy? You can run
behind some old tale. The world will
not. Take him out and teach him some
manners.

Ranava straightens himself.

RANAVA

(calmly)

It is fine, what use is life in this
world, if we cannot be allowed to
build our legacy in it.

FADE TO:

RANAVA (O.S.)
 (continues to grow
 angrier)
 They think me a fool. Laugh at me.
 THUNDER. Humiliate me. I will show
 them. THUNDER. I will show them who
 I am. They will all bow down to
 me... LOUD THUNDER

A meteor comes falling down into the forest with a loud BANG! Ranava is pulled out of his thoughts by the noise, and loses control of the car. The car crashes into a nearby street light and the lights flicker.

DHRUV'S FATHER
 (V.O.)
 Happy birthday, my wonderful son...
 SCREAMS OF PEOPLE Dhruv....Run....

Dhruv is sitting near the window, lost in his own thoughts taring at outside of the window. A sudden SHOT sound from the outside followed by FOOTSTEPS leading towards the room.

A hand lays on the Dhruv's shoulder and a sound of clearing throat by General Onika.

GENERAL ONIKA
 (calmly)
 Cheer up kid! How long are you
 planning to starve? I know you have
 been through a lot in last few days.
 Did you have the dream again?

Dhruv turns to face her. She sits beside him and starts feeding him.

GENERAL ONIKA

Remember one thing - The world is not for the ones who get everything with ease, The world is for the ones who believe in themselves and fight against all odds.

General leaves the room after tapping the hero's shoulder twice. Dhruv keeps staring at the slowly disappearing figure of the General with sadness in his eyes.

8 INT. ROOM - MOMENTS LATER

Dhruv starts panicking. He thinks this building is also going to collapse on top of him. He breathes SHAKILY. He keeps looking out the window, wanting to escape.

He opens the door and looks around.

Dhruv sees long white corridors in both directions lined up with doors to other rooms of soldiers. He runs along the corridors, tapping on doors or grazing the wall, amazed by the sight.

He turns left and bumps into a soldier. The startled soldier draws his gun at collision, the kid gets scared and crouches down with hands on head shrieking. The soldier lowers the gun down on realising it is just a child.

DHRUV

(hesitantly)

Sss-sorry sir, forgive me...

SOLDIER VIKRANT

What's your name boy? DHRUV dh...

SOLDIER VIKRANT

How do you know the general? DHRUV I don't.

SOLDIER VIKRANT

(giggles)

She is the General of our army base here. One of the best soldiers I have ever seen. She used to be scared at first, like you... DHRUV Really?

SOLDIER VIKRANT

Yeah, but look at her now. She runs the place. DHRUV She saved my life. I wish she saved my parents too.

SOLDIER VIKRANT

Her parents died in a terrorist attack few years before she joined the force. She serves the country now, and saves life. Not all, but she tries. Dhruv feels a little guilty for blaming her. But his curiosity to know more about the base increases. DHRUV What is this place? SOLDIER VIKRANT This is an army base started 15 years back when we were your age.

(looks at Dhruv and nods)

DHRUV But why? SOLDIER VIKRANT The main function of this base is to save the country from secret invasions. All the funding is provided by our government. Everything here is future tech. Soldier Vikrant points his hand towards the end of corridor, training area visible now.

SOLDIER VIKRANT

You see those planes.... they are designed to travel in stratosphere. According to present generation scientists, those are still under development but we have access to the whole machine. This is how we operate. No one can see us but we can see everyone and everything.

11 EXT. TRAINING AREA - IMMEDIATELY AFTER

11

General Onika is talking to a bunch of soldiers.

SOLDIER (V.O.)
Whom do you think might have done
this?

GENERAL ONIKA (V.O.)
I have no idea. But we have to find
out so it does not happen again. So

many innocent lives were lost.

GENERAL ONIKA
(shouts)
Ay boy! What are you doing outside!
I asked you to take rest.

DHRUV
I am scared. GENERAL ONIKA Don't
worry Dhruv everything will become
normal again. Have faith DHRUV
(sobbing)
I have lost my parents, lost my
home, lost everyone... I have no one
to be with and nowhere to go. ONIKA
I am sorry Dhruv but you have to be
stronger. We are here to take care
of you. DHRUV
(crying)
What is the purpose of me living. I
should have died along with my
family.. ONIKA Who said you have
nothing to live for... Commit to
serve the country and you'll have
the perfect purpose to live. OUR
COUNTRY IS OUR HOME, OUR COUNTRY IS
OUR PURPOSE. DHRUV'S FATHER
(voice over)
OUR COUNTRY IS OUR HOME, OUR COUNTRY
IS OUR PURPOSE.

(hastily)

Proceed with caution, I will meet you there. Shoot them if necessary but I want them alive. Over. She hurries towards end of corridor with two soldiers behind her. Careful, checking every corner. General Onika peeps through the door and locates the enemies. She gives the door a slight nudge but the enemy notices it and starts firing at the door. General Onika and soldiers take cover and fire back. A BLAST from the room.

MODI

"My people are not scared by your earthquakes and I am not scared by your threats. You will be brought to justice, and it will be an Indian who does that."

RANAVA

"Hmmmm, strong words Modi Ji, strong words, In the face of a god. I will think about how India's map is reshaped when I am done with it."

"The Government of India has tasked us to locate his whereabouts in India and end this with whatever means necessary. The last attack has levelled Mumbai. The lives lost have to be answered for."

DHRUV

"General, If I may. This is more than just that one man. They revere as some god. We cannot even remotely try anything at this point."

ONIKA

"Dhruv, This is war. He is not a god."

DHRUV

"I, I. Yes General."

ONIKA

" I have prepared a list of our best operatives for this covert mission."

The meeting finishes as the operatives are sent to brief.

Onika looks at Dhruv.

ONIKA

" Walk with me Dhruv, something is in your mind that you aren't telling me"

DHRUV

"This was all my fault, I couldn't make the right decision there. I couldn't over come it. Those lives are on me. and now this, this God is, I feel hopeless."

ONIKA

" You are human, no one should have had to make that choice. Say, I put you on the list. I am leading it. and remember no man who calls himself a god is worth a god."

DHRUV

"I don't know if I have it in me. I just feel like that kid all those years ago."

ONIKA

"Dhruv, A man I once knew said, The choices we make lead our destiny. They both consist of good choices to change the world and bad ones to learn from. When the time comes you will know to make the right call"

DHRUV

"Hmmm, thank you. I won't let you down again. Can I accept that offer?"

ONIKA

"well, stealth is not your
strongest. But I think you are
ready"

DHRUV

"By the way, are we mobilizing?"

ONIKA

"Oh, we are. Let's find him first"

Onika and Dhruv walk off as Music starts to play in the
background

MUSIC- Pacific Rim (feat. Tom Morello)

Action sequence filled with guns being loaded and vehicles
getting fueled.

Soldiers preparing themselves.

General and Dhruv are seen creating strategies and an entire
team working on computer screens.

In between jump cuts of the General and Dhruv working
together we see the Villain experimenting himself with
Unobtanium.

The special operation team is seen training.

38 EXT/INT. HQ COURTYARD - DAY

38

Onika and Dhruv walk towards a building speaking inaudibly about the planned attack.

ONIKA

" Everything prepped for our attack
at sundown?"

DHRUV

" Yeah, all we need is for our
general leading the attack. We have
got confirmation from HQ that we are
good to go."

Both nod their head in approval.

Onika receives a call from an unknown number.

Onika stops midway and signals Hero to wait.

Onika picks answers the phone.

RANAVA

"Miss me?"

ONIKA

(In a distressed tone)

"What do you want to bring to this
world now?"

RANAVA

"All that I have ever wanted, Seeing
as you won't back down. I've decided
it's not fair for you to have it any
longer"

ONIKA

"What? Oh no, No , No"

Onika looks at Dhruv as the call cuts.

ONIKA

"We don't have time. He is coming here. You alert the Command Center. They are going to hit us next."

Dhruv looks at general confused.

ONIKA

"We don't have time. Inform HQ now to open sector 64.Follow me"

DHRUV

"Why?"

ONIKA

"I'll show you"

Onika and Dhruv walk hurriedly towards a bunker.

A massive shockwave knocks them down.

They get up as alarms start blaring along with soldiers rushing.

ONIKA

"Let's go"

DHRUV

"But, don't we need to respond to that"

ONIKA

"There is something bigger at stake here"

They both rush to the bunker and the Onika proceeds to the inner vault.

39 INT. INSIDE THE BUNKER - MOMENTS LATER

39

They walk hurriedly and there is visible panic in the generals eyes which Hero had never seen before.

ONIKA

"Listen Dhruv, I don't know whether we have enough time, but I need to trust you with something. Right now it's you."

DHRUV

"What? Please at least tell me what this is about? You are being cryptic!"

ONIKA

"We needed a contingency if ever unobtanium was to be weaponized, so we improvised with a plutonium based radiation emitter"

DHRUV

"You knew about the weapon?"

ONIKA

"It's more complicated than that. I was the one who was tasked with the hypothesis of counteracting Unobtanium if it were to ever be found"

DHRUV

"So, We had something to prevent this? ALL ALONG?"

ONIKA

"DHRUV, We built something we don't know how to use. We don't even know whether it will work. It's a

prototype that hasn't even seen a real world use"

DHRUV

"There is something you aren't telling me, How do you know he is going to come here. Wait why aren't we dead, the earthquakes hit a 8 on the Richter. We just felt a tremor"

ONIKA

"YOU NEED TO TRUST ME AND I NEED YOUR TRUST IN THIS"

They both arrive at the inner vault.

The Onika types into the database RANAVA.

Dhruv looks puzzled and shocked at the same time.

DHRUV

"Before we go in, before I tell you that you can trust me. I need to know. Did you know him?"

ONIKA

"I shared a life with him Dhruv, before he forgot what we had created together and went on this blood thirst to mold the world to his image."

40 INT. INNER VAULT - IMMEDIATELY AFTER

40

Onika walks into the inner vault where a podium sits with a briefcase. the entire vault is lit with one focus light on the podium and the walls sprinkled with nightlights in a circular layout.

Onika walks to the podium and sets the briefcase atop the podium and types in CHANAKYA in the briefcase console and it opens.

Onika picks up a DEVICE, turns around to face Hero and gives a sigh of relief.

ONIKA

"As long as we can !!!!!"

METAL CREAKING AND TEARING WITH LARGE EXPLOSIVE SOUNDS

Onika and Dhruv fall down with the device rolling near the Hero's feet.

A glass enclosure surrounds the inner vault while Dhruv and Onika are outside of it.

The roof of the inner vault cracks open and the Ranava drops down in a dramatic fashion.

He stands up and looks at them menacingly.

A glass enclosure separates them and the Ranava

RANAVA

"I had to kill 20 men for them to tell me where you had gone"

ONIKA

"You can't be saved, You could never
be satisfied with what you had"

RANAVA

"Oh spare me your speech, You knew
that this was my destiny. Nothing
else mattered then and nothing else
matters now."

ONIKA

"What more do you want from this
world."

RANAVA

"Love, I want all of it. Now give me
what I came for."

ONIKA

"We never built it. I built this to
imprison you for the monster you
have become"

RANAVA

"Ah, I don't care for you games.
GIVE IT TO ME NOW"

Hero slowly kicks the DEVICE to the side of the room.

ONIKA

"Listen to me, You don't have to do this. We had everything we ever wanted. When will you realize it?"

RANAVA

"Don't lecture me, I said give it to me"

Ranava bangs on the glass enclosure and takes a step back.

RANAVA

"Alright, that one dies"

Ranava points to the Dhruv.

Onika looks at the Ranava and whispers NO.

Onika turns around to Hero.

ONIKA

"Promise me now, That I can trust you the same way you trusted me all those years ago."

Ranava uses his WEAPON to blast at the enclosure.

ONIKA

"Promise me that you will end this"

DHRUV

"What? What do you mean? I can't, I am , I am not ready. I am not the one."

ONIKA

"Dhruv, I saw it in your eyes the day I first saw you. You are my salvation. Remember everything I told you today. You are the one who gets to make your decisions. Remember that."

DHRUV

" I don't understand what,"

Ranava charges up his weapon.

ONIKA

" Now run, but fight back. Gods can only be killed by their own sick twisted selves inside."

Dhruv is confused and moves away momentarily.

Onika opens a vial from her pouch and drinks it.

Immediately her eyes glow a glassy white and her veins slowly protrude.

ONIKA

" I said RUN"

Onika screams and pushes Hero outside the inner vault.

The doors shut.

Dhruv peers through the glass cut out still dazed at what she had done.

Inaudible shouts continue as he focuses inside.

The Onika runs towards the glass enclosure and starts glowing more and more. She gives a final look to Dhruv and shouts RUN.

The Hero scared, runs away.

RANAVA

"What are you doing?"

ONIKA

"You were my everything, and you gave me everything I ever wanted. But now I have to chose between you and my destiny."

RANAVA

"No, No, No. What are you ?"

Onika glows brighter and brighter. As Dhruv runs away with eyes watering up hears a loud explosion behind him and suddenly hears a large scream.

"NOOOOOO"

41 EXT. OUTSIDE HQ - LATER

41

Dhruv exits through the escape hatch and crawls his way through the bunker and exits into an outer escape hatch.

Dhruv sees Ranava being pulled out from the rubble by a helicopter and his henchmen, He seems unfazed and keeps a dead look on his face.

Dhruv finds a place to sit.

Dhruv contemplates as the General's words echo through his mind.

DHRUV

(voice trembling)

"Anyone! is anyone there?"

HQ

"Dhruv, come in Dhruv. Are you there?"

DHRUV

" You are there?"

HQ

"Oh my god you are alive, we, we lost everyone. Only a handful of us are, holding up. Dhruv. Where is the General?"

DHRUV

"She, she, she gave us chance and,
and gave herself to ensure, that,
She is gone."

Hero looks down with tears falling down his cheeks.

HQ
"Dhruv, I don't, She, what do we do
now Dhruv?"

Dhruv looks to the multiple Helicopters leaving.

DHRUV
" I am going to end this. I need a
guy in the chair."

HQ
"What do you want me to do?"

DHRUV
"I need to know where he is going"

HQ
" I, I can track them now. What then
Dhruv? the plan?"

DHRUV

" I will do it"

Dhruv reaches into his pocket and takes out the
NULLIFIER/DEVICE and looks at it.

CUT TO:

42 EXT. VILLAIN LAIR - SOMEWHERE IN THE HEART OF DELHI - LATER 42
THAT DAY

Helicopter lands at the Helipad atop of the Villain's lair.

Dhruv slips out from the cargo dock of the Helicopter.

Hides behind a ventilator shaft.

DHRUV

"Can you get a virtual render?"

HQ

"Affirmative, although there seems
to be a lot of radio interference
due to the Unobtanium"

DHRUV

"I'll keep in touch. Got the virtual
map. The top floor looks. Empty. I
will get there first.

Dhruv proceeds to enter the Air vent.

JUMP CUT TO:

43 INT. ENTRANCE TO VILLAIN THRONE ROOM - LATER

43

Dhruv drops down from the Air vent.

Dhruv looks around and finds the place empty.

DHRUV

"That's odd, HQ are you picking anything? HQ?"

Static noise echoes from his ear piece.

Hero stares at the grand entrance to a room.

DHRUV

"Guess this is it"

Dhruv proceeds to enter the throne room.

FADE OUT.

44 INT. VILLAIN'S THRONE ROOM - SUNSET

44

Dhruv crawls silently through the entrance and takes cover behind a wall.

Ranava faces the city peering through the glass taking in all of the destruction he is about to cause.

RANAVA

(Heavy heartedly)

"I was thinking to myself, why all this destruction. The suffering and the prayers that follow them. Do they deserve this? "

Dhruv gets cautious with a visible sense of fear on his face.

Ranava turns around to face the room. Closes his eyes and tilts his head to take a deep breath.

RANAVA

(Underlying rage)

"But did I deserve what was done to me?"

Ranava lifts his head in the direction of the Hero and gives a half smirk.

RANAVA

(Subtle sarcasm)

"Stealth isn't your exact strength.
If you would indulge in a drink
perhaps"

Ranava proceeds to walk down a flight of stairs to a table arranged with alcohol.

Ranava glances through the alcohol and picks up a bottle of half filled Vodka.

Ranava holds the bottle facing him and readies to pour it

Dhruv rolls over from cover and steadies himself.

Dhruv shoots the bottle of Vodka with his pistol.

Dhruv steadies himself for the next shot, his eyes filled with rage and his hand steady to take the next shot.

RANAVA

(Subtle sarcasm)

"Ah, That was probably one of the
last bottles of Vodka in the world,
pity those who do survive won't get
to taste one of Russia's finest
creations"

DHRUV

(Confidently)

"This, this is it, It's either you or me who gets to walk out of this room."

Ranava removes his cloak with dramatic flair, revealing his changed physical appearance. For the first time the Villain stands with a poise mimicking a god, with his veins glowing and his eyes glassy and dead inside.

RANAVA

(Boastful)

"Like it? a little unobtanium cocktail. Does wonders to you "

Ranava walks closer to the Hero with a small stride.

DHRUV

(In confusion and rage)

"You, You couldn't stop could you? She was right when she said, you became everything you wanted to end"

Dhruv is internally struggling to plan a next move but his mind races at possibilities loosening his body for a minute.

Ranava closes his eyes to remember his fallen love, the memory fades and his face is overcome with anger and his greed for power.

RANAVA

(Heavy heartedly)

"You, will understand. You will, everyone will, when they bow down to me."

DHRUV

(Rage)

"You monster, you, you killed her"

Dhruv locks his gun on to Ranava preparing to pull the trigger.

Dhruv hands start to tremble while Ranava focuses on the gun.

The gun drops from his hands as it becomes unable to hold.

Dhruv looks over to Ranava in confusion while holding his hand.

RANAVA

(Menacingly)

"molecules, subject them to enough vibration and they heat up. Do you believe in God? agent? who do you think is more powerful him or me?"

Ranava proceeds to laugh menacingly.

Dhruv clenches his burnt fist and races towards Ranava.

DHRUV

(IN RAGE)

"YOU KILLED HER!!!!"

Ranava grabs Dhruv by the throat and reaches to a vial from his pocket and drinks from it.

RANAVA

(With power, menacingly)

"Ah, like I said, this world will bow down to me eventually. Or die"

Dhruv is thrown across the room to a wall.

Ranava looks at the fallen hero and smiles.

RANAVA

(Menacingly)

"If you care about her so much
maybe, You should join her"

Ranava proceeds to walk over to his table and clicks a button.

Dhruv looks to his side as suddenly a beeping noise resonates through the room.

HQ

"Come in dammit, where are you?"

"I'm here, we need to end this"

HQ

"We have run out of time"

DHRUV

"No, we still have a chance"

50 EXT. ROOFTOP OF VILLAIN LAIR - MIDNIGHT**50**

Ranava stands looking at the city as the world around him is silent.

Ranava holds onto the General's necklace and clenches his fist.

RANAVA

"How longer for the WMD's to be in place?"

AI

"T minus 15 minutes my lord"

Ranava relaxes his shoulder awaiting the grand plan he set up to take place.

RANAVA

"A new age is about to begin, and I will reign over it"

Hero bursts into the rooftop, wounded and with his body trembling.

Ranava stands still.

RANAVA

"You don't die do you. Perhaps I'll get rid of you after you see the world I am about to create"

DHRUV

"If she meant a lot to you, You would know she would have never wanted this."

RANAVA

(Angrily)

"You killed her, She and I wanted to build a better place for, You don't know what this means"

DHRUV

"No, You, you were the monster that killed her. Whatever you were you are not that anymore, and you definitely not a god."

VILLAIN

"You lecture me about monsters. HAHA, You are right though. I am not the weak toy I was when the world pushed me down."

DHRUV

"This world doesn't owe us anything, and it's done nothing to us. Everything we are, it's on us."

Ranava turns around to face the Hero.

The glowing in his veins increases as his rage increases.

RANAVA

"You talk too much"

Dhruv takes a moment and lunges towards Ranava and rolls under him.

Ranava is confused.

Dhruv continues to dodge Ranava while trying to think of how to attack.

Ranava does not engage and instead tries to get hold of him.

RANAVA

(Narcissistically)

"I am a god, you can't possibly hope to bring me down. I have control of everything. I have my followers inside every organization on earth. I control everything from inside, and soon I will crown myself as a God King"

Dhruv contemplates for a split second before realizing his words.

DHRUV

"Gods and Kings always fall"

Dhruv proceeds jump on the console and strangle Ranava.

Ranava reaches out his hand to grab hold of Dhruv's head.

Dhruv swings to the front and pushes the NULLIFIER and a grenade into Ranava's mouth and flips over his head clenching his jaw with his hands.

Ranava is shocked and tries to open his mouth as the glowing in his veins begins to pulsate.

DHRUV

"You bring them down from the inside"

The NULLIFIER implodes inside his mouth.

Both fall down with the hero keeping his grip tight.

DHRUV

"I can't believe that worked. Thanks Onika"

Dhruv looks up to the skies.

AI

"T minus 30 seconds"

Dhruv looks around.

DHRUV

"Uh, cancel launch"
